RED HUGHS SINCE 1981

It is with great pleasure that today the Red Hughs Club competes in the final of the Senior Championship. Although the club has only been in existence six years since its re-formation in 1981. It has had the honour of competing in many finals in that time, but until now success in this particular competition has always eluded us.

Although only in its first year of competition, it was with little surprise for many people that 1981 was such a successful year, as many of the players were former members of the players were former members of the Robert Emmets club. In that year we had the honour of winning the Junior Championship and the Division III League as well as finishing runners-up in the Division II Shield.

1982 saw the club reach the Intermediate final only to lose narrowly to Urris, as well as gain promotion to Division I behind Downings.

In 1983 the club found itself in both Division I of the Senior Championship, a great achievement after only two years. Although success was to pass us by that year the club was pleased with its overall performance in the League's top Division.

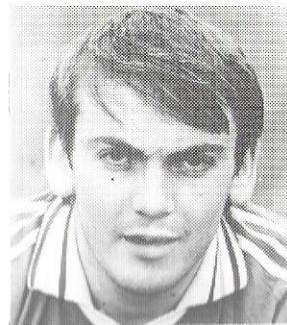

1984 saw a downward turn in the club's fortunes, after struggling for most of the year, it was with disappointment that the club were relegated to Division II and knocked out of the Senior Championship in the first round.

However, 1985 saw the club bounce back and after a good League campaign were narrowly pipped for promotion back to Division I, and also for the first time reached the quarter-finals of the Senior Championship.

The 1986 season saw the club off to a successful start with victory over neighbours, Robert Emmets in the Division II Shield final, and as lately as last Sunday saw the club win the Second Division title in Gweedore.

Today, we hope to conclude a magnificent season by winning the Senior Championship and achieve a unique year by bringing both the Senior football and Hurling championships to Killygordon.

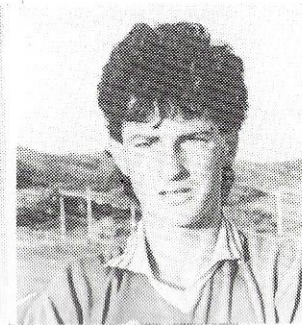

A special welcome today to Mr. Paddy Hannigan, Killygordon, who is in his 93rd year. Paddy is the oldest Senior footballer living in Donegal and a member of the old Red Hughs championship teams of the '20s.

FOUNDING OF AODH RUADH G.A.A. CLUB

Following a public meeting in 1909 and inspired by a call by the local branch of the Gaelic League, "to consider the advisability of having some Irish games started in the town", the Aodh Ruadh G.A.A. The first hurling and football practices by the new club took place in the 'Workhouse Meadow' now known as Munday's Field at West Rock on Sunday, October 31st, 1909.
