

A Chairde

The Donegal Minor CCC would like to congratulate both clubs on reaching today's final and welcome everyone to St Mary's, Convooy for the County Minor Championship Division One Final

Reaching a county final at any level is an achievement and is just recognition of the hard work and effort which people in these two clubs are putting in to keep football to the highest possible standard.

We would like to thank the Convooy club for the use of their grounds this evening; these are indeed excellent facilities for such an occasion.

The Minor CCC would like to thank all match officials who give their time so unselfishly to our games, without these officials our association would not run as smoothly as it does so we encourage everyone involved in our games to show respect to all Officials.

This year's minor division one all county championship was run under a new format, it has proved to be a huge success and has brought together both Cill Chartha and Naomh Adhamhnain to tonight's decider, let's hope that we have a great game of football and may the best team take the honors'

Is mise, le meas
