## Leading Scorers in 1983 Football Championship:

THE EFFORTS of Uíbh Fáilí's Matt Connor to establish a new record by topping the championship scoring chart for a fourth consecutive year appear to have taken a knock as a result of Baile Átha Cliath's win in the Leinster Final.

True, Connor currently holds a four point lead at the top of the table, but with both Baile Átha Cliath's Barney Rock and Corcaigh's John Cleary still involved in the championship race, it's virtually certain that Connor will be overtaken.

# ÓG Sport Gael

ÓG SPORT GAEL, in its fifth year, is a 32-county seven-a-side competition aimed at developing skills in Gaelic Football for under-15's.

Over the past four or five months boys throughout the country have been competing at club level for the honour of representing their county at Gormanstown College where they will compete for the National Óg Sport title.

The boys will enjoy a four-day residential Gaelic Games holiday camp. They will receive expert coaching from fully qualified GAA coaches and physical education teachers on all aspects of the game. A great number of competitions, in addition to that for the national title, will also be held with prizes for the best manager, best team, most outstanding player, winners of the long kick and penalty competitions.

The boys will also take part in a wide range of other activities including discussions with inter-county stars, community singing and novelty games.

All in all, it adds up to a memorable feast of football for the 320 boys from all over Ireland who will take part and benefit from Óg Sport Gael this year, with the game itself benefitting from them in future years.

None of this would be possible however, without the very generous sponsorship received for the past two years from New Ireland Assurance Company; the company has for many years been associated with the GAA through members of its staff who have played football or hurling at county level.

The national launch of Óg Sport Gael takes place today at half-time during the Senior Game and Óg Sport then continues in Gormanston until the morning of the 18th of August.

ÓG SPORT GAEL invites you to test your knowledge of the game and at the same time you could be the lucky winner of two tickets and an expenses paid trip to an 1984 All-Ireland Senior Football Semi-Final of your choice.

# Gaillimh proved too good in '74 semi-final

T. Ó Neachtain, Gaillimh team captain today and scorer of 0-2 in August 1974.

GAILLIMH ..... 3-13  
DÚN NA nGALL ..... 1-14

THE ONLY previous championship meeting of today's senior semi-finalists took place on August 18, 1974, before a crowd of 33,782.

Gaillimh, the more experienced side, began the opening quarter intent on establishing an unassailable lead and after 11 minutes had opened a 1-4 to 0-0 lead. To their credit, Dún na nGall didn't collapse and, aided by a Seamus Bonnar goal from a penalty, trailed by one point by the 18th minute.

At the interval, the Connacht Champions, having played with the breeze which blew into the Canal goal led by 2-7 to 1-6 and neutrals sensed that the Ulster side were in with a chance. However, they squandered too many chances while Gaillimh, sensing that they were the better side, led by 3-11 to 1-8, with 15 minutes remaining.

Then Gaillimh seemed to grow complacent and Dún na nGall scored six successive points without ever threatening to upset the better team and Gaillimh came back to score the final two points.

Dún na nGall followers bemoaned the fact that they lost Bonnar 10 minutes before the interval and Brian McEniff eight minutes later but there was never any doubting the outcome of the game.

The Gaillimh full forward line of Colie McDonagh, Liam Sammon and Johnny Tobin scored 3-10 of the winner's total.
