FÁILTE

Fáilte roimh gach einne anseo go dtí Pairc Sean Mhic Cumhaill inniu.

It is a great pleasure for me to welcome you all to Sean MacCumhaill Park today. I trust we will see three great sporting games from six clubs who have won their way here today. We thank you for your co-operation and patience shown over the past 18 months while our new seating area was under construction and the great help from our clubs and patrons who have assisted in achieving this step forward.

Much more is planned but the main seating area leaves us with 5,000 seats for your comfort.

I wish to thank our hard working Co. Executive Committee who have spent many hours going through the details of such a step; also the recently set up Finance Committee under the guidance of County Treasurer, Danny McNamee, the park Development Committee who did all that was asked of them — to them I am grateful.

The senior semi-finalists of Kilcar, N. Columba, Ardara and Killybegs bring together the 1988 county champions, Kilcar versus the 1988 League champions, Naomh Columba, and the 1988 county champions, Killybegs versus the 1989 League champions, Ardara — two finely balanced games everyone in the county has been looking forward to.

When the Leagues and Championships were reconstructed at Convention this year the one point everyone was happy with was the proper structure at last of the Junior and Intermediate Championships. The Games Activities Committee have simplified our leagues where balance was a much required thing. Today's Junior finalists have surfaced from that restructure, after both clubs struggled for many years. They now find the new balance bringing the best out of them. Convoy in the process of building new dressing rooms, have won the U-14 B Championship last weekend and are going all out to win the Junior League and Championship double. Meanwhile Milford have taken their act far more serious and the club this year has taken new shape on and off the field of play. I wish both clubs all the very best in today's final.

Gabhainn buíochas libh míle.

CATHAL O FACHTNA,
Cathaoirleach, Bord na Condae.
